

HD-575

FM-MPX 8-Track 4 Channel "Matrix" Stereo Radio and Tape Player

With the HD-575 HAMMOND brings together in one player all the features most desired by the sophisticated buyer: Quality, style, power, size, versatility; they are all here in one package. The acutely sensitive FM-MPX tuner — the 8-track playback deck coupled to the powerful amplifier and leaves nothing to be desired, except "Matrix". Press the "Matrix" switch and the HAMMOND 4 channel "Matrix" circuit surrounds you with sound as it was meant to be heard. Full! Rich! Real! To all of this add individual volume and tone slide controls for left and right side, burglar alarm, program reading lamp, and you have it all. Styled in beautiful walnut grain finish and soft brushed gold.
